Budget Committee Member Application

Thank you for your interest in the Coos County Airport District and for volunteering your time to serve on a Budget Committee. The Budget Committee annually reviews the district budget. The Budget Committee consists of all members of the Coos County Airport District’s Board of Commissioners and an equal number (5) of legal voters who reside in Coos County. Committee member terms are for three years.

Every Spring, the Budget Committee meets to review the proposed budget rendered by the District’s Executive Director. Meetings are typically held between May and June, but the committee may also meet on an “as-needed” basis. The Budget Committee studies the proposed budget, considers changes, and forwards their recommendations to the Board of Commissioners for approval. The Board of Commissioners then holds a public hearing, formalizes changes, and votes to adopt the budget before June 30th.
