

Airport Report Agenda #2

Recently Risk Assessment for the district’s insurance did a walk-through Airport Heights Park. The following are identified in the report.

<b>Playground Equipment</b>	<b>District Resolution</b>
1. Metal climber	Will be removed at a later date,
2. Wooden Climber	Maintenance will secure loose bolts and add guardrails around the platform)
3. Climbing Tires	Remove large tires but can leave the group of the small tires
4. New Burke Climber	Add sand below the climber to reduce the height of the structure and get it above the lines.
5. Old swing set/Burke Climber	Raise the sand under the swings
6. Nylon Basketball nets	Remove nets or replace them with metal chain nets
7. Other	Remove weeds in the sand areas of the playground
