MESSAGE FROM THE BUDGET OFFICER

TO THE

COOS COUNTY AIRPORT DISTRICT

BUDGET COMMITTEE

May 4, 2022

INTRODUCTION:

As the Budget Officer I am here to present the **Fiscal Year 2022/2023** annual budget proposal to the Coos County Airport District Budget Committee. This will be the nineteenth fiscal year in which the District has independently managed the Southwest Oregon Regional Airport. The data is presented in a format that allows the Committee to view the last three consecutive years of the District's budget by line item. This message and supporting data are intended to aid the committee in the review and decision-making process required by Oregon Revised Statutes (ORS).

The requirement for this message is found in ORS 294.391. This message initiates the process intended to complete the budget review and development of comments or revisions prior to its submittal to the Coos County Airport District Board Commission. The process is also required as a prerequisite to establishing justification for imposing of a county wide ad valorem tax.

THE DISTRICT:

The Coos County Airport District (CCAD) is a municipality created under the laws of the State of Oregon, established through a general election held under and subject to ORS 838 and enabled by a resolution passed by the Coos County Commission on December 4, 2002, after an affirmative majority vote by the electorate of Coos County. The CCAD operates on a fiscal year of July 1 through June 30, and was created with the intent to eventually operate as a self-sustaining enterprise without the aid of ad valorem taxes.

Order 02-11-092L, Forming the Coos County Airport District: "Coos County Airport District is declared formed for the purpose of maintaining scheduled commercial air service at the airport in North Bend within the boundaries of Coos County."

The District's Board of Commissioners are elected county wide and are responsible for the operation of the Coos County Airport District, which includes the Southwest Oregon Regional Airport and any other facilities which may be acquired or constructed by the District for the furtherance and accommodation of commercial air commerce.

ORS Chapter 838, Airport Districts, Powers of the District: "A district may establish, construct, expand or lease, control, equip, improve, maintain, operate, police and regulate airports and air navigation facilities, and to this end may exercise all the functions and powers provided in ORS 836.200 to 836.250.

49 U.S. Code § 47107(a)(13) requires airport operator to set fees and charges to make the airport as self-sustaining as possible, and to maintain security and safety.

The Airport District Commission has adopted a mission statement and several objectives, which drive the proposed 2022/2023 budget:

MISSION:

The Coos County Airport District exists to serve the citizens of Coos County and benefit the Southwestern Oregon Region by providing quality commercial and general aviation services.

The Coos County Airport District will continue to diversify their revenue sources to fund the safe and secure operation of the Airport for the benefit of the users.

OBJECTIVES:

- Maintain and enhance quality commercial air service.
- Develop the Airport Districts property into revenue-producing components that contribute to the District's self-sufficiency over time.
- Complete and coordinate all elements of an aeronautical master plan as a long-term goal.
- Integrate all plans and goals for the future by preparing financial and business analysis to provide direction for administration and operations.
- Establish a systematic means of communicating with the public to reinforce public "ownership" of the airport, and to increase enplanements.

ORGANIZATION OF BUDGET:

The District utilizes a "cash basis" of accounting and has done so since FY 2007/08, when it was converted from modified accrual to a cash basis.

The District collects ad valorem taxes in the amount of \$.24 per \$1,000.00 of property valuation, county wide, discounted for urban renewal Districts. The taxes for fiscal year 2022/2023 are estimated to be \$1,366,569, for a proposed General Fund Budget total of \$7,352,389.

The General Fund Budget includes out-sourced services such as auditing, legal services, architectural, engineering and project management. The District's main operating budget is in the General Fund section and covers personnel services administration, operations, maintenance and small capital acquisitions.

The District derives General Fund revenues from landing/ramp fees, fuel flowage fees, grants, aviation, non-aviation and commercial leases and agreements. Revenues from these sources are projected at an estimated \$1,830,295 for fiscal year 2022/2023.

The Debt Service for the General Fund is projected to be \$273,229.

There are separate and distinct Fund accounts for Passenger Facility Charges (PFC), Bureau of Land Management (BLM), Business Enterprise Center (BEC), Construction, Department of Human Services (DHS), Unemployment, and Building Reserve.

All funds, including DHS, BLM, and BEC, are resources that the District has developed to diversify their revenue sources and all funds must be used for the operation of the Airport per the FAA Revenue Division Regulations.

The District derives revenues from leased facilities on airport property whose operations are complex enough to warrant a separate fund for allocation of revenues and expenses. These currently include BLM, BEC, and DHS. Revenues from these sources are projected at \$2,539,968 for fiscal year 2022/2023. The Debt Service for these three funds for FY 2022/2023 is projected to be \$1,423,982. Contingency balances, less one months estimated expenses, in the BEC, BLM, and DHS Funds are transferred to the General Fund.

The Construction Fund was set up to account for Capital Improvement Projects on Airport property. The FY 2022/2023 construction projects are as follows:

| Project | Budget | Funding |
|---|-----------------|---------------------------------------|
| Construction of Aircraft Rescue & Fire Fighting Facility - \$7,000,000 (estimated completion - August 2022) | \$ 495,825 | 93.75% FAA 2.80% ODA 3.45% CCAD |
| Apron Expansion | \$ 6,112,000 | 93.75% FAA 6.25% CCAD |
| Cargo Facility and Road Realignment | \$ 4,000,000 | 75% Connect OR 25% CCAD |
| Brush & Tree Removal | \$ 50,000 | 100% CCAD |
| Demolition of Aging Buildings | \$ 153,000 | 100% CCAD |

Proposed 2022-2023 Resources/Requirements:

| General Fund | \$7,352,389 |
|-----------------------|--------------|
| PFC Fund | 63,000 |
| BLM Fund | 1,091,586 |
| BEC Fund | 225,629 |
| Construction Fund | 10,916,450 |
| DHS Fund | 2,198,551 |
| Unemployment Fund | 57,196 |
| Building Reserve Fund | 904,464 |
| TOTAL | \$22,809,265 |

SUMMARY

In summary, the Coos County Airport District Budget Message is mandated by ORS 294.391, and is required to be reviewed by an appointed citizen's advisory committee for that purpose. The budget, accompanying data and information is a public document and anything associated with the document and the process is open to public inspection. The proposed consolidated Fund budget for the Coos County Airport District is \$22,809,265 for Fiscal Year 2022/2023 of which \$7,352,389 is General Fund. A total of \$1,426,569 is proposed to be collected as a county wide tax. This document and its process when completed will serve as a financial guide to the governance and management of the Coos County Airport District for the Fiscal Year 2022/2023.

Detailed Summary

General Fund

Within the 2022/2023 fiscal year, the Coos County Airport District anticipates receiving \$500,000 in Federal funding through the Small Community Air Service Development (SCASD) grant program. These resources will be applied as a revenue guarantee for commercial air service from North Bend to Portland.

This budget is proposing \$1,855,161 in Personnel Services within the 2022/2023 fiscal year. This includes managerial, assistant director, maintenance/operations personnel, and two temporary employees; for a combined total of 21.5 full-time equivalents. The two temporary employee slots will ensure sufficient staffing levels are maintained throughout the year and that viable options are readily available in the event of staff turnover.

The Coos County Airport District's proposed Capital Outlay expenditure within the General Fund is \$102,000 within the 2022/2023 fiscal year.

Summary:

| 1 | \$ 12,000 | Office equipment |
|---|------------|-------------------------|
| 2 | 60,000 | ARFF Foam Replacement |
| 3 | 30,000 | Pump Station Relocation |
| | \$ 102,000 | Total |

\$12,000 has been budgeted to replace office equipment as needed.

\$60,000 has been budgeted to replace ARFF foam.

\$30,000 has been budgeted to relocate the pump station to a safer location.

BLM Fund

The BLM facility upgrades will be repaid through lease revenues, to be fully amortized over BLM's lease term, at a maximum interest rate of 4.96% per annum. (Repayment will commence upon substantial completion of the upgrades.)

This budget proposes \$45,000 within the BLM Fund for the replacement of three HVAC units within the 2022/2023 fiscal year. The BLM facility has 15 Air Handler Units that are in need of replacing, due to age and functionality. Increased maintenance has mitigated system failure to-date. In 2018/2019, the District began scheduled replacements of three (3) units annually; spanning nine (9) consecutive years.

DHS Fund

The 2022/2023 DHS Fund budget proposes operating contingency (carry over to the 2023-2024 FY) of \$40,390 and unappropriated ending fund balance of \$478,214. The DHS Fund has an approximate \$820,000 loan payment due December 1st each year. This budget recognizes that seven months of the payment or approximately \$478,214 should be reserved at June 30, 2023 for the December 1, 2023 payment.
